

Campsite regulations during Circuit Zolder events:

1. The campsite is available for camping during major Circuit Zolder events on payment of a usage fee.
2. The campsite is only accessible after registration with the inspection staff and payment of the usage fee.
3. Always wear your wristband around the campsite, ensuring that it is clearly visible. The wristband also provides access to all temporary campsites.
4. The inspection staff will determine the location of an individual camper's tent, vehicle or caravan with towing vehicle. Always obey any instructions by the inspection staff.
5. The following actions are prohibited:
 - a. Lighting an open fire or smoking in the woods.
 - b. Making noise that disturbs others, especially lighting fireworks or playing loud music.
 - c. Moving the tents.
 - d. Disposing of waste other than in the containers or plastic bags provided for this purpose.
 - e. Driving vehicles on the campsite, except on arrival or departure.
 - f. Driving nails into trees.
 - g. Bringing animals onto the campsite.
6. Hygiene requirements must be respected, in particular concerning the use of the sanitary facilities.
7. The police may restrict pick-up or drop-off by motor vehicles during races for traffic safety reasons.
8. No market stalls are permitted at the campsite.
9. Use of the campsite is at your own risk. There is no surveillance at the campsite. The lessor cannot be held liable for damage of any kind (e.g. theft, accident, injury, lost or damaged items) resulting from the use of the campsite.
10. Anyone who violates these campsite regulations will be immediately ejected from the campsite and reported to the police.
11. In addition to these campsite regulations, Circuit Zolder rules for spectators apply.
